# **Mayo-Hill Centre for Modeling: One of the Best Fashion Modeling Schools**

Go through this checklist:

- Are you svelte and tall?
- Do you have a pretty face?
- Do you have a graceful way of walking and a regal bearing?
- Do you look photogenic or even telegenic?
- Do you love mixing and matching pieces of clothing with different accessories?
- Do you consider yourself as someone with excellent fashion sense?

If you answered yes to most of these questions, then, you might just have what it takes to become the country's next top fashion model!

But then, success doesn't come overnight. You need professional training in order to compete with the tons of talents like you out there. So, what can you do? Most would say try enrolling in a fashion modeling school. And Mayo-Hill Centre for Modeling might be just the school for you.

Mayo-Hill Centre for Modeling was founded in 1974. Mayo-Hill has been one of the leaders in the fashion world for over 30 years now in terms of training and developing numerous aspiring models. The institution has played a major role over the years in the professional modeling careers of many individuals from different countries worldwide, such as the Europe's key fashion capitals, Paris, France and Milan, Italy, as well as the catalogue-producing metropolises of Munich, Germany and Miami, U.S.A., not to mention Japan's money-spinning markets.

Actually, Erin Williams and Page Parkes of Williams Talent and Millennia Models, as well as Neal Hamil, who used to work with New York's Ford Agency and is now the owner of Neal Hamil Agency, have all become successful in their careers with their experiences at the Mayo-Hill Centre for Modeling!

Mayo-Hill believes that a top fashion model is created through the proper training and right guidance, together with the will to succeed and determination to make it big in the fashion world. With this vision in mind, Mayo-Hill gives its learner confidence, which is a model's top weapon, as well as the vital skills, aspirations, and encouragement he/she needs. Everyone is expected to leave the institution with a higher sense of self and the training necessary for success.

These are done mainly with the help of Mayo-Hill's instructors who have are highly qualified and experienced – some of them being with the institution for more or less twenty years.

Mayo Hill has produced numerous top fashion models with the likes of Anna Wueller, Alis Shoemaker, Cherie Mansfield, Jennifer Massey, Kelly Stewart, Steven Clark, Jason Kramer, Limor Luss, Bryan Mitchell, Frank Dicapoulos, and many more.

## Facilities

Mayo-Hill's classrooms are especially designed to provide students with the important learning experience in a professional fashion model's environment. The school's facilities include complete runways, fashion show and production resources, makeup and photo studios, camera and lighting equipment, video camera for teaching and acting, stereo system and electronic equipment, and an array of makeup tools and cosmetics.

Students will be provided with class materials needed for most of the lessons.

## Programs

In terms of its programs, Mayo-Hill provides a mixture of lectures, activities, and workshops that will teach you what exactly it's like to become a fashion model. With their information-based programs and more than three decades in the fashion business, it's no wonder that they have produced many of the best models from Texas and have programs approved by the Texas Workforce Commission.

Programs include the Advanced Male and Female Programs, as well as the Teen, Preteen, and Little Actors and Models Programs. They even have Acting Seminars.
